Feces Analysis | a573df1b93222be1320c4ab27e7d7220

SuperBeets Review 2021 • A Brutally Honest Analysis

According to Freud, feces is related to possession, pride, shame, money/financial matters, or aggressive acts. So to dream that you are playing with feces symbolizes your anxiety over money matters and financial security. Dreaming about animal feces represents release of your primal or sexual desires. You are tired of hiding your true feelings.
